

## Assets

What exists, is in good condition, is safe, or is positive for the community?

## Problems

What are barriers, disrespected places, forgotten issues, or where is help needed?

## Ideas

New thoughts or good plans? Short term or long term; expensive or inexpensive.

## Built Environment

- |                  |              |
|------------------|--------------|
| Sidewalks        | Crossings    |
| Wide streets     | Signage      |
| Bike lanes/racks | Busy streets |
| Bus stops        | Landscaping  |
| Shoulders        | Lights       |

## Social Environment

- |                    |                  |
|--------------------|------------------|
| Personal safety    | Store fronts     |
| Murals             | Restaurants      |
| People are present |                  |
| Personal safety    | Trash / Grafitti |
| Bicyclists         | Dogs             |

## Driving Behavior

- Speeding vehicles
- Cutting corners
- Improper parking
